

# *Labor and Community* **Unity Rally to Stop Attacks on BART Unions & Members**

**Where: Oscar Grant Plaza (14th & Broadway), Oakland**  
**When: 5 pm Tuesday, October 8, 2013**

*Aug. 1, militant march of 1,000 BART workers and supporters in Oakland.*

## **No Concessions for BART workers! Fight union-busting! Stop Scabbing!**

BART managers want to provoke a strike when the 60-day “cooling off period” ends at midnight on Oct. 10 and blame it on the transit unions. Thousands of other Bay Area workers are working without a contract. All out on Oct. 10! BART is threatening to run scab trains and unleash cops to protect strikebreakers. ***We can't allow this vicious anti-labor attack to prevail in the San Francisco Bay Area, a union stronghold!***

**Defend George Figueroa**, former ATU strike coordinator. Demand the DA drop bogus misdemeanor charges of falsifying a police report: ***Full Amnesty for Brother Figueroa!***

**Fight the attacks on working people** — cut transit fares; restore bus service and all other programs the community needs to survive; good jobs at living wages for all!

**Stop the victimization of the black and brown community**, especially the police murders of black and brown youth!

**Stop letting them play divide and conquer!** Come to a labor and community rally to stop the attacks on BART workers, labor, and the community. ***No More Austerity Cuts!***

**California is not Wisconsin!**

**Unity Rally organized by ATU Local 1555 & endorsed by SF Labor Council**
